Archery

Archery is my favourite activity at camp I really enjoyed it when I almost got a bulls eye!

Kayaking

Kayaking was fun because we were doing a relay and I was with Jordan and we won even when he was in last!

Water slide

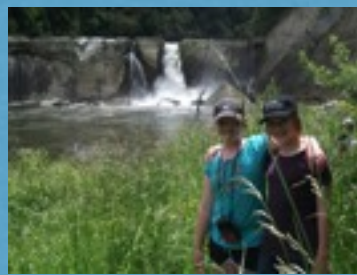

The Water slide was funny because I went down but I kept slowing myself down then Marty splashed me when he went down!

High ropes

It gave me more of a challenge when we did high ropes because Mrs Waterland gave me a goal to go to the next level.

Low ropes

Low ropes was fun but hard you had to do the chicken walk in groups with catches so if you fall they will catch you so you have to trust them

Burma trail/ team building

We had to trust others in where we were going in the burma trail. After we had done the burma trail We did building and that really challenge me to work with others
